Hi Melissa-

The ADA in Woburn says that he will get me on the stand on the 25th, even if he has to go out of order, so I will be available for you on July 26th. I will notify you if anything changes in the Woburn case (for instance, a plea). Hope this helps.

Hi Melissa-

I wanted to let you know that I received your message that the case was continued to July 25th, but I may have a problem with that date. I have a Superior Court case in Woburn that is scheduled to start on July 22nd, but the ADA doesn't think he'll need me until the 25th or 26th. I will let him know about your case and hopefully be able to get a date commitment from him so I will know when I could be available to you. And there is a chance that the case will plea (it is a 2004 case but the defendant skipped town). I will let you know when I hear anything.
